

HALLOWEEN IS COMING!

Let's learn how to carve Jack-o-lantern!

MATERIALS:

1. Pumpkin
2. A spoon and a knife
3. Candle
4. Dry erase marker
5. Medium bowl
6. Newspaper
7. Lighter

INSTRUCTIONS:

1. Prepare your working space. Place newspaper on the table.
2. Take a pumpkin and cut the hole around the stem. The hole should be big enough for your hand to fit through. Do not throw the stem away, you will need it later.
3. Scoop out the seeds and pulp and put it in the bowl.
4. Draw eyes, nose and mouth on the best looking side of the pumpkin.
5. Cut along chosen design with a small knife, remove unnecessary pieces of pumpkin and discard them in the medium bowl.
6. Wipe off the markings after finishing cutting out the design.
7. Light the candle and put it inside Jack-o-lantern. Put the stem at the top.

Your Jack-o-lantern is ready to be displayed. Happy, happy Halloween!
