## Treasure Find City Scavenger Hunt

### What is Treasure Find?

In a *Treasure Find* activity, you look for treasure in a city. We **design** each *Treasure Find* activity to help you explore a city and to learn about its most famous **sights**.

### How does it work?

First, find a team of 3 – 4 people. It's better to explore in a group. You must download the *Treasure Find* app. The phone will know your **location**. Touch 'Start' to begin your adventure. The app then gives you directions to your first place. **Follow** the **directions** to the first place. They're usually important buildings, statues or public parks.

Once you arrive, you'll get **information** about the place. You will have 30 seconds to study the information, and then you'll get a test. If you pass the test, you get easy directions to the next place. If not, the directions can be very difficult.

### How do we win?

To win, your team has to go from place to place quickly. Once you get to the last place, there is a *Treasure Find* sign. Stand next to it and take a photo. Send your photo through the *Treasure Find* app. The app marks your time. Then, the *Treasure Find* team sends a message to the winner for each city. The winner each month gets a great prize!
